Guest Speaker Carl Carter Jr
Beverly Carter Foundation

Join us for an unforgettable afternoon as the Women's Council of Realtors Palm Beach County, in collaboration with the RWorld Safety Committee, proudly presents the "Safety is Non-Negotiable" Fashion Show. This groundbreaking event features the innovative designs of Thos Fashion School of Design on the runway, marking the return of a fashion show to Palm Beach County after 7 years!

But that's not all! We are deeply honored to have Carl Carter Jr., from the Beverly Carter Foundation, as our esteemed guest speaker. Carl will share invaluable insights and strategies to ensure that every Realtor comes home safely to their family every night. After all, Realtor safety is non-negotiable.

Why Realtor Safety Matters:

1. **Personal Security:** Realtors often meet strangers in various locations, making them vulnerable to potential threats. Understanding and implementing safety protocols can prevent dangerous situations.
2. **Professional Responsibility:** A safe working environment is crucial for maintaining trust and confidence in the real estate profession. Prioritizing safety ensures that Realtors can serve their clients without compromising their well-being.
3. **Community Impact:** By fostering a culture of safety, we not only protect ourselves but also set a standard for the broader community, promoting safer practices across all industries.

Mark your calendars for this pivotal event, which promises to be more than just a fashion show. It's an opportunity to foster a culture of safety within the real estate industry. Together, we can share experiences, discuss safety plans, and encourage our fellow Realtors to prioritize their well-being.
