## MISSION:

We are a network of successful REALTORS®, advancing women as business leaders in the industry and in the communities we serve.

## VISION STATEMENT:

The Women's Council of REALTORS® is recognized as the voice for women in real estate, and the premier source for the development of leaders in the industry, organized real estate and beyond.

An organization with over 80 years of rich history, the Women's Council of Realtors humbly builds on an impactful legacy founded by 37 epic women that wanted change and growth after being denied admission from many local REALTOR® organizations.

Our exclusive community is comprised of over 12,000 real estate professionals nationwide, with a strong reputation for exceptional education and referral building opportunities. The mission and vision of the Women's Council of Realtors remains the same across the board - to advance business leaders in this industry and remain the premier source for development of leaders. Our saying of "Leaders Made Here" holds true within our everyday lives at home, within our businesses, and the communities that we serve.

We are proud to be the Women's Council of Realtors Cape Coral- Fort Myers, one of more than 250 networks. Please take a moment to get to know the limited opportunities available to you to partner with us this coming year, and let's make this the best year yet! We look forward to strengthening relationships and becoming better, together.

With Incredible Gratitude,  
Your 2025 Leadership Board of Directors
